Section B: 2) Obligations under PATI Act [s5(1)b]

To provide an information statement for the public and promulgate it [s5],
- To provide other information to the public so that the public needs only to have minimum resort to the use of the Act to obtain information [s6]. This includes:
  - General information, e.g. activities of the Authority
  - Log of all information requests and their outcome
  - Quarterly expenditure (upon request) [s6(5)]
  - Contracts valued at $50,000 or more.
- To respond to information requests in a timely manner [s12-16]
- To track information requests, and provide this data to the Information Commissioner
- To respond to requests from the Information Commissioner [s9]
- To amend personal information held by the Authority that is wrong or misleading following a written request by the person to whom the information relates [s19]
- To conduct an internal review if formally requested [part 5]
- To give evidence for review by the Information Commissioner [part 6, 47(4)], or for judicial review [s49], if required
- To provide an annual written report to the Information Commissioner of the status of information requests [s58 (3)].
- To do anything else as required under the PATI Act and subsequent Regulations [s59, 60], including:
  - Fees for Requests for information
  - Management and maintenance of records
  - Procedures for administering the Act
- To train staff and make arrangements so as to facilitate compliance with the Act [s61]
- To designate one of its officers to be the person to whom requests are
Services:

Bermuda Sport Anti-Doping Authority shall perform such functions as are necessary to facilitate the control and prevention of doping in sport, including—

- doing all things necessary to comply with and implement any Article of the WADA Code;

- planning, implementing and monitoring information and education programmes aimed at educating athletes, athlete support personnel, parents, the media and the general public in Bermuda about doping in sport matters, such as—
  - the health consequences of doping;
  - the harm of doping to the ethical values of sport;
  - prohibited substances and prohibited methods;
  - therapeutic use exemptions;
  - nutritional supplements;
  - doping control procedures and results management; and

- athletes’ rights and responsibilities and the consequences of committing an anti-doping violation;

- facilitating the sharing of information between national sporting organisations and other relevant agencies to reduce the prevalence and availability of prohibited substances and methods;

- facilitating the access of national sporting organisations to accredited laboratories for analysis of samples;

- directing the anti-doping programme of the Government specific to sports including the conducting of tests on athletes, planning, co-coordinating and implementing the collection of samples, the management of test results and conducting hearings in keeping with the mandatory international standards set out in the WADA Code;
• promoting and encouraging research about doping in sport matters to develop effective prevention strategies and more effective anti-doping programmes;

• entering into reciprocal testing agreements with national anti-doping organisations outside Bermuda;

• consulting with, advising and assisting departments and agencies of the Government, local authorities, the Bermuda Olympic Association, national sporting organisations, and other bodies or persons on any matters concerned with doping in sport issues and related matters.

• developing appropriate procedures to—
  ◆ reflect the needs of athletes who have not attained the age of eighteen;
  ◆ reflect any disabilities or other special concerns of athletes; and
  ◆ protect each athlete’s right to privacy;

• advising the Minister on any doping in sport matters;

• providing information, advice or other services requested of the BSADA;

• performing any other functions relating to doping in sport that are conferred on the BSADA by this or any other legislative instrument; and

• generally taking all steps necessary or desirable to achieve the purposes of this Act.
  
• BSADA shall adopt the Code and current international standards.

Programmes:

The BSADA shall develop a National Anti-Doping Programme.

The Programme shall provide for the following—

• comprehensive anti-doping rules, including rules on illicit and performance enhancing drugs;

• an extensive education programme for athletes, athlete support personnel, administrators, participants and the general public on anti-doping and the promotion of health, fairness and equality in sport;
- detailed protocols for results management;
- detailed protocols for Therapeutic Use Exemptions;
- research relevant to anti-doping
- the development of an Athlete Testing Programme, including the development of protocols governing the location and whereabouts of athletes for the purposes of testing; and
- any other related matters.
- The Programme shall be developed in accordance with all established international standards by the World Anti-Doping Authority.
