

### Using GlobalDRO (Global Drug Reference Online)

Global drug reference online (Global DRO) provides a quick and easy means by which athletes and support personnel can check the status of medications based on the current World Anti Doping Agency (WADA) Prohibited List. The system has the ability to check the status of branded medication and individual active ingredients as well as providing every search with a unique reference number.

1. Type in [www.globaldro.com](http://www.globaldro.com)

2. Choose your sport nationality from the drop box (UK, Canada, or US). **You must enter one of these countries. Do not enter "other" or you will not be able to progress any further.**

Click on the Drug Search button.
